

**Champaign Central Band Boosters Board Meeting**  
**Wednesday, August 5, 2009**  
**7:30 P.M.**

**Present:** Tim Born, Jennifer Currey, John Currey, Lucinda Hart, Carol Lynn Hassan, Brent Kincheloe, Rita Kincheloe, Melinda Wilcox, Kim Wurl

Meeting called to order at 7:40 P.M.

**Update on Greg Anderson.** Band Booster President Greg Anderson is recovering from a heart attack. He will come home from the hospital this week. Other board members will step up to take over his duties until he is feeling better.

**Budget.** Tim led everyone through the budget proposal. Dollar amounts were tweaked. Band plans and needs for the upcoming band camp and school year were discussed.

**Band Camp.** Last minute items for band camp were finalized. There will be nine instructors at band camp, plus several former students who volunteered to help. We will ask parents for canopy donations as they are expensive to rent. We talked about the agenda for the Sunday parent meeting. We will borrow a huge grill for the hot dog cookout. Color guard may do a bake sale that evening. A porta-potty will be available during band camp and throughout the fall. We will split the cost with Centennial High School so our cost will be about \$100.00 for one porta-potty for the entire band season. Indoor restrooms will be used for long breaks. On the revised band schedule, a pops concert has been added on Oct. 20<sup>th</sup> so Replay will be rescheduled for Oct. 27<sup>th</sup>. A home game has been added on Oct. 23<sup>rd</sup>.

**Pops Concert.** John talked about his plans for a new pops concert event on Oct. 20<sup>th</sup> that would involve all bands, the choir, and the orchestra. The venue would be Faith United Methodist Church. There would be a silent auction, a catered meal, an emcee, and tickets sold. We could use the money raised to drop the price on the Washington D.C. Trip, then do the concert yearly and use the event as a fundraiser for other needed items. Eventually, band, choir, and orchestra could be under one booster organization.

**Committee For District Budget.** Briefly talked about monies currently and potentially available from the district and what our biggest band needs are.

**Yard Signs.** Kim showed yard signs that the cheerleaders are doing for a fundraiser. They cost \$15.00 each. We can add words to the signs for whatever activity kids are in.

**Other.** The maroons website was switched to a different server today. It is still maroons.org, but it is run by a different service that is more flexible.

Meeting adjourned at 9:15 P.M.
