Dear Prospective Member of the 2018 Marching Maroons,

We are very thankful for your interest in our marching band. Being in this group is a mixture of hard work and fun. You will learn a lot, make great friends, and experience the joy of performing in a large, successful ensemble. Our band has a history of excellence and we are known throughout Illinois as one of the best marching bands. In recent years, we have had very successful outcomes at competitive marching contests throughout the state. Additionally, we have taken our show on the road to destinations in the United States, such as Atlanta, Philadelphia, New York and Orlando.

An important part of our band's success is that every year we have a custom written field show that our band boosters commission for our group. Having a show written for our group is a very expensive endeavor, though it makes for such an amazing product when we are able to perform it.

Many programs similar to ours charge students between \$750-1200 per season to help cover the cost of uniforms, instruments, custom drill design, props and other expenses. We have kept our fees as low as possible, and the boosters still operate the marching band at a loss every year. Fundraising for the music program in general helps to offset these losses, which allows us to charge students only \$100 for the season. Documented fee waivers/reduced fees also apply to this activity. In addition to the fee, each student needs to purchase a polo shirt for \$20. This is a one-time cost, unless the shirt needs to be replaced. Orders and payments will be processed once the season is underway.

Each and every performer in our show has a role written especially for him or her. Because of this, we ask for a commitment from each student who wishes to be a part of this experience at Central HS. Once you have decided to be a member, we ask that you and your parents sign a commitment contract (hot pink sheet), stating your willingness to participate with the group throughout the 2018 season, which begins in early August and ends at the end of the fall semester. Signed contracts along with a \$50 non-refundable deposit (half of the participation fee) are due by Friday, June 1, 2018. After that date, our custom drill designer will begin his work writing an exciting show with a spot just for you. By signing the Commitment Form, you are agreeing to participate through the end of the fall semester (December 2018).

Important dates for this ensemble are listed in the attached documents and can be found at www.maroons.org. Students and their parents are encouraged to sign up for marching band email as well as our other email lists. You will find the place to do that on our website's home page. Please make sure that you follow up with the confirmation email that you will receive in order to start receiving emails.

Parents - we need your volunteer help in many ways.
Please email: marchingVP.maroonbands@gmail.com to inquire about ways you can help.

Sincerely,

Mrs. Jennifer Currey, <u>curreyje@u4sd.org</u> Mr. John Currey, <u>curreyjo@u4sd.org</u> Mr. Stephen Larson, <u>larsonst@u4sd.org</u>
